

Public Notice

Vaccinated Access to Municipal Buildings

Effective November 30, 2021 public access to all municipal buildings will be restricted to persons who have received their full vaccination for COVID -19. Mask are required while in Municipal Buildings.

In order to access municipal buildings, you will be required to present proof of vaccination by either presenting a vaccination card or a QR code. Both of these documents are available from Public Health.

You may also be required to present a photo I.D. to prove your identity.

Anyone unable to produce proof of vaccination will be denied access to the building.

Access to the municipal office to be able to pay a bill, apply for land, permits or a funding program, or other service will be available for all persons, vaccinated or not.

The Hamlet appreciates everyone's cooperation and compliance.

Stay safe. Protect yourself, Protect others.
