

Statistics Canada is hiring

local interviewers to collect data on numerous surveys, including the **2022 Indigenous Peoples Survey**.

This recruitment campaign is part of Statistics Canada's Inuit Hiring Strategy, whose objective is to establish a sustainable and robust workforce in the Northern Territories (Nunavut, Yukon and the Northwest Territories). Our department is fully committed in the recruitment of Inuit Land Claim Beneficiaries as required by their respective land claims.

- Statistics Canada is encouraging candidates that are living in northern communities, and who are knowledgeable of Indigenous culture to apply.
- The department is also attempting to increase its language capacity, and will be pursuing candidates that speak Inuktitut and Inuinnaqtun.
- Pay rates vary by community, with ranges from \$26.82 - \$43.62 per hour, plus authorized expenses.
- Start dates will be in March and April, and all staff will receive paid training.
- You must be available to work flexible hours, including evenings and weekends.

Help your community to plan for the future
