

# Kivalliq Businesses Capacity Building

Agnico Eagle aims to contribute to sustainable economic development to benefit the greatest number of Inuit.

We do this by supporting business development with workshops, assistance and entrepreneurial training to facilitate the access of Inuit and Inuit Firms to business opportunities on our Kivalliq Projects.

## ONE-ON-ONE CAPACITY BUILDING THROUGH MENTORSHIP

EXISTING BUSINESS

LOOKING TO START YOUR BUSINESS

NEW ENTREPRENEUR

### Support opportunities examples:

- Develop and enhance business plans
- Business financial literacy
- Joint Venture formation
- Confidence and decision making
- Tailored advice and expertise on business development to support business growth
- Funding Access: Funds to grow business or hire for key roles
- RFPs: How to respond to RFP's in a way to position for success
- Marketing and Partnership development

Program consists of 6 months support including 7 days of one-on-one sessions to develop skills and answer businesses needs.

Participation is free and will give access to experienced advisors.  
Five (5) spots are available to receive this personalized business support.

Send us your name, phone number and business needs details to this email:
